

East Side Health District
Communicable Disease
Fee Increase Ordinance
Ordinance No: CD- 10092018

An ordinance establishing a fee increase for Communicable Disease services issued by East Side Health Communicable Disease Division by the East Side Health District Board of Health.

Whereas, the East Side Health District Communicable Disease Division provides immunizations and health services to its citizens; and

Whereas, such services are funded in part by user fees charged by the East Side Health District; and

Whereas, the East Side Health District Communicable Disease Division, in accordance with the 410 ILCS 315/ Communicable Disease Prevention Act, provides services to prevent disease;

BE IT ORDAINED by the East Side Health District Board of Health that the following ordinance will regulate the fee structure of the East Side Health District Communicable Disease Division:

Section 1: East Side Health District shall initiate an increase of \$10.00 to a total of \$50.00 for Adult Hepatitis A and B immunizations.

Section 2: East Side Health District shall initiate an increase of \$4.00 to a total of \$10.00 for Child Immunizations (2 mo-18 years).

Section 3: East Side Health District shall initiate an increase of \$7.50 to a total of 15.00 for TB Testing.

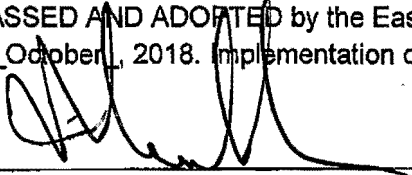

Section 4: East Side Health District shall initiate an increase of \$5.00 to a total of \$35.00 for School/Work Physicals.

Section 5: East Side Health District shall initiate an increase of \$5.00 to a total of \$10.00 for copies of medical records (Immunization/Physical/TB).

Section 6: East Side Health District shall not initiate an increase or decrease in Adult Influenza immunizations. The price will remain at \$35.00.

Section 7: East Side Health District shall reserve the right to decrease or increase the fees for Communicable Disease Services, as deemed necessary by the East Side Health District Board of Health for continued disease prevention services.

PASSED AND ADOPTED by the East Side Health District Board of Health this 9th day of October, 2018. Implementation of new fee schedule to be effective November 1, 2018.

Mark Kern

Chairman - East Side Health District Board of Health

Date: 10/22, 2018
